

PARASOUND

October 1st, 2018

To all Canadian Dealers & Customers:

Please be advised that no U.S. company is, has been or will be authorized to sell or ship Parasound products into Canada. This applies to all authorized online and brick & mortar sellers of Parasound. Exporting Parasound goods outside of the United States is expressly prohibited by our U.S. dealer and distribution agreements.

Warranty coverage of Parasound goods in Canada will only be honored for product purchased from authorized Canadian dealers. Warranty service for goods purchased from U.S. dealers and distributors will **not** be honored outside of the U.S.

To ensure goods are being purchased from an authorized Canadian dealer, please visit <http://parasound.com/where-to-buy.php> or contact Parasound's exclusive distributor in Canada: GEMSEN www.gemsen.com

Thank you for choosing Parasound!
